HP EliteBook 8540p Notebook PC

Power Plus Portability

Advanced graphics and performance with a 39,6 cm (15.6") diagonal HD display in a highly mobile design

Windows®. Life without Walls™. HP recommends Windows 7.

High-performing discrete graphics
Boost your graphics ability with the HP EliteBook 8540p. Experience sharp pictures, smooth video, and fast rendering capabilities required for graphics-intensive software applications with NVIDIA's NVS 5100.

More storage and increased file transfer capabilities
Enjoy new performance levels with the new 2010 Intel® Core™ i5 and i7 processor family, capable of working in a true 64-bit environment and 16 GB of memory capacity. Share information with fast transfer speeds using the two USB 3.0 ports. Connect to external displays and get sharper, deeper images with DisplayPort.

Industrial design
Starting at only 2.95 kg, this portable notebook combines premier design with business rugged construction. The HP EliteBook 8540p is designed to meet tough military standards (MIL-STD 810G) for vibration, dust, humidity, altitude, and high temperature. The platinum color is the perfect finishing touch.

HP Professional Innovations help you focus on your business
Built to simplify. HP SkyRoom provides convenient video conferencing directly from your notebook with the ability to conference up to 4 locations at a time. A fully-functional 90-day trial version is included with the option of upgrading after the trial expiration.
Optional integrated HP Mobile Broadband allows convenient access to the internet, corporate intranet, and email in more places than ever. With the WWAN card installed, you also gain a Global Positioning System (GPS) receiver to determine your position. Couple this with many readily available applications to turn your notebook into a GPS device.
HP QuickLook 3 provides quick access to email, calendar, contacts and tasks at the touch of a button without long boot-up time. HP QuickWeb grants access to the web in seconds…even if your notebook is turned off.

THE COMPUTER IS PERSONAL AGAIN.
